SIMPLY ROMANS & CURTAINS

Simply made-to-measure curtains, roman blinds and cushions are created to perfectly complement your windows. The collection features a wide range of plains, textures, prints and patterns, we are confident you will find your perfect match. Select your fabric, lining and heading for a personalised finish. You can even complete the look with matching or co-ordinating tie backs and cushion covers.

OPTIONS

Whether your home is traditional or modern we will have the perfect curtains for you. Select from our 5 heading types; pencil pleat, double pinch, triple pinch, eyelet and wave, to give your curtains the finish that suits your home.

We offer classic roman blinds but if you want to upgrade to a more modern look, opt for our sleek cassette. This covers the top of your blind giving it a neat finish and is available in white, silver anthracite or matching fabric.

CURTAINS

With a selection of headings and options we are confident you will find the perfect finish for your home.

For a more traditional look opt for our pinch pleat headings. Prefer a more modern finish? Our eyelets or wave headings will be perfect for you.

PENCIL PLEAT
Available in 75mm (3") and 150mm (6").

DOUBLE PINCH PLEAT
Available in 100mm (4") and 150mm (6").

TRIPLE PINCH PLEAT
Available in 100mm (4") and 150mm (6").

WAVE
Requires a specialised track.

EYELET
Available in silver, gold, antique and gunmetal.

ROMANS

CLASSIC
The classic header offers a no fuss option.

CASSETTE
The Cassette system gives a sleek and contemporary finish. The cassette can be covered in a matching or contrasting fabric or can be left uncovered in a choice of 3 metal finishes; white, silver or anthracite.

Choose how your roman blind looks when it's open. Cascade; the panels create a waterfall effect. Stacked; the panels sit behind each other.

MOTIONBLINDS

Automatic control of electronic items around the home is a growing reality. We now offer convenient and secure motorised blinds, allowing you to integrate your window coverings seamlessly into your smart home.

The MotionBlinds system offers flexibility to operate your blinds in a number of ways, from wherever you are in the world.

PULL CONTROL

Manually control your blind with the stylish chrome pull chain.

REMOTE CONTROL

Operate your blinds with a press of a button on our 1, 5 or 15 channel remotes.

APP CONTROL

Use the MotionBlinds app to control your blinds. Create room scenes or add timers to fully automate your blinds.

VOICE CONTROL

Through the Terminus WIFI bridge, you can connect your blinds to your home assistant of choice and control your blinds with your voice.

SCAN, CONNECT AND CONTROL

All our motorised blinds are now Bluetooth compatible.

SETUP IN A MINUTE

MotionBlinds Bluetooth motors can be set up and programmed in a minute. Just scan the QR code hidden by the chrome tassel and follow the steps on screen.

AUTOMATE WITH TIMERS

Putting the blinds on autopilot couldn't be easier. Set the time, desired position and days of the week using the 3 daily timers. At the scheduled times your blinds will automatically move to their preset position.

ADDITIONS

LININGS

Simply curtains and roman blinds are fully lined to enhance their appearance and functionality. Select from polycotton, satin or blackout linings, for an extra touch of luxury add interlining to your curtains or choose bonded blackout for your roman blinds.
